## From the deli counter to the dairy cooler, SPG offers you the freshest ideas in grocery.

The concept of one-stop shopping is not new to the grocery business. In fact, it's the very idea around which the modern supermarket is designed. It is also at the heart of the storage and material-handling solutions SPG can offer you.

As you well know, grocery operations need to be more efficient and economical than ever before. They also need to be more versatile to accommodate expanding inventories and ever-changing consumer demands. That's where SPG can help.

We offer you value-driven storage and material handling solutions that let you more effectively manage inventory, move stock, and contain costs. Every system you find in this brochure is designed to increase your profitability and enhance your employees' productivity.

SPG offers systems for every department in your supermarket and distribution facilities. Equipment designed to excel in the most harsh environments and most demanding applications, and maximize the value and utility of every square inch of space.

Above all, SPG offers you total solutions from a single source. Working with you, we can design and supply everything you need, and all of our systems can be custom-tailored to your size and material requirements.

Today, your customers demand more from you, that's why you can always Expect More from SPG.

## The supermarket of storage solutions.

Imagine creating the ideal storage and material handling system for your operation. A versatile system tailored to your exact needs. An innovative system that drives productivity and profitability. A value-driven system available from a single, reliable, proven source. That's what SPG offers your grocery operation.

You can always Expect More from SPG. With a tradition of manufacturing and service excellence that goes back more than half a century, SPG not only brings you the industry's most comprehensive line of equipment, but the best one. We're ready now to meet your needs, whether it's a single piece of equipment or a total solution for your business.

Our lines include the finest names in the storage industry: AMCO, Freestyle, ISS, Kelmax, and Universal Stainless. While each offers a unique array of products, they all share certain qualities, *like quality*. And value, durability, efficiency and profitability.

To succeed in the highly competitive grocery marketplace, you need to offer your customers more. And that's exactly what SPG offers you. You can always Expect More from SPG. We welcome the opportunity to prove it to you.
