SMARTshelf™ SHELVING SYSTEM

Store merchandising and retail trade shelf system

spgusa.com
SMARTshelf™ SHELVING SYSTEM

• The patented SMARTshelf™ shelving system is easy to assemble - no tools required

• The distance between shelves can be adjusted easily on 1" increments by simply moving the self-aligning support hooks

• Posts will accommodate both adjustable and fixed shelving

• The SMARTshelf™ system has a durable bright plated finish; optional colors available upon request

• Each shelf supports up to 300 lbs.

• Multiple shelf sizes available
