Veteran-Owned Business

ISS and AMCO Shelving

SPG offers the industry's widest array of materials, components and accessories. That means we can provide a custom shelving solution for virtually any application — in any space — that's strong, versatile and easy to assemble.

Freestyle Industrial Workstations

A place for everything and everything in its place—the ergonomic design maximizes usable space and provides added storage for packaging, smallwares, boxes, tools, and more. No front uprights offers greater accessibility. Adjustable shelves on 2" increments for maximum flexibility — no tools required for adjustment.

Universal Stainless Compartment Sinks

Available in 1, 2, and 3 compartments, with a variety of models and configurations, the Universal Stainless line of sinks has a wash-station for any application.

Universal Stainless Tables

Universal Stainless Tables offer a sturdy, reliable prep and work surface for kitchens, warehouses, backrooms, or anywhere else you need them.

Carts and Trucks

Our wide selection of carts incorporates unique design features, quality construction, proven durability — and everything you need to push your business forward.
