

## STANDARD FEATURES & BENEFITS

- Grey polypropylene plastic removable panels easily snap onto heavy duty epoxy coated frames
- Sectional panels can be easily removed from frames for cleaning – no tools or hardware required
- An antimicrobial agent protects the finish from bacteria, mold, mildew and fungi that cause odors, stains and product degradation\*
- For all environments from -20°F (-29°C) to 190°F (88°C)
- Strength rated to support 1,000 lbs. (455kg) of uniformly loaded static weight per shelf
- Fits standard AMCO® square posts and is compatible with other AMCO® shelving products
- Stainless steel posts recommended for a rust-free solution
