# CLEAN DISH TABLE

## STANDARD FEATURES & BENEFITS

H-frame leg assemblies with adjustable bullet feet— shipped loose for easy field installation

Dish tables are 30" wide and have stainless H-Frames legs and adjustable bullet feet

5/8" radius on all corners for ease of cleaning

Sanitary 180-degree rolled edges at free sides

Stainless Steel under bracing locations provides solid top and minimal deflection

Dish table opening can be tailored to match dish machine specs (specify when ordering)

Dish tables in "L" shape and corner configurations are available upon request (Please contact factory)
