SOILED DISH TABLE

STANDARD FEATURES & BENEFITS

Soiled dish tables are 30" wide and come standard with 20" x 20" x 6" pre-rinse bowl

Bowl fully fabricated for full metal thickness and added strength throughout

All welded set up design with no assembly required for added convenience

5/8" radius on all corners for greater ease of cleaning

Sanitary 180 degree rolled edges at free sides

Stainless Steel under bracing locations provides solid top and minimal deflection

Dish tables in "L" shape and corner configurations are available upon request (Please contact factory)
