FREESTYLE® INDUSTRIAL WORKSTATION

Worktops available in stainless steel, powder coated steel, aluminum, wood, and plastic

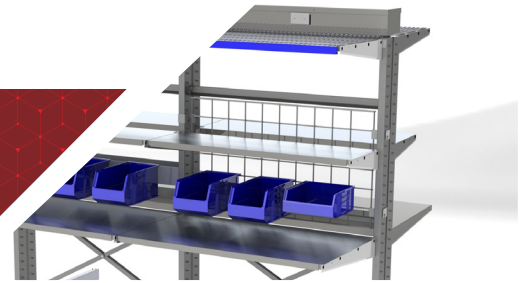

- No front uprights offers greater accessibility
- A place for everything and everything in its place—the ergonomic design maximizes usable space and provides added storage for tools, manuals, parts, etc.
- Adjustable shelves on 2" increments for maximum flexibility — no tools required for adjustment
- Adapts quickly and easily
- Fast, easy cleaning of work surfaces and structure
- Shelves, uprights, and kits have a durable gray epoxy-based finish with advanced antimicrobial protective agent

- Complete assortment of accessories including hanger rails and shelf covers in wire and stainless steel
- Total load-bearing capacity of 3,200 lbs.
- Shelving available in 5 widths and 8 lengths
- Uprights available in 5 heights
- The new Freestyle™ Brace significantly increases load capacities: 25% on 30-in. shelves — from 600 lbs. to 800 lbs. and 40% on 24-in. shelves — to 1,000 lbs.

FREESTYLE® INDUSTRIAL WORKSTATION

Our High-Efficiency Shelving Solution Will Make The Most Out Of Your Workspace

When it comes to improving the performance and profitability of your business, you need more than off-the-shelf ideas. The innovative Freestyle Industrial Workstation System brings you the ultimate in organization and workspace utilization.

With Freestyle, your business will profit from:

- Improved productivity
- Optimized performance
- Greater access to inventory
- Faster workflow

Freestyle Is Not Only Built To Do More, It's Built To Last.

Beyond greater capacity, accessibility and flexibility, Freestyle offers heavy-duty construction designed to withstand years of use and abuse in your operation. Built of high-strength steel, the Freestyle also includes a durable grey epoxy-based coating that offers maximum protection in both high moisture and dry environments.

Grid Baskets
